

The AIXA logo is a black square with the word "AIXA" in white, sans-serif capital letters. To the right of the text is a vertical bar with four colored segments: green at the top, orange, blue, and a thin white line at the bottom.

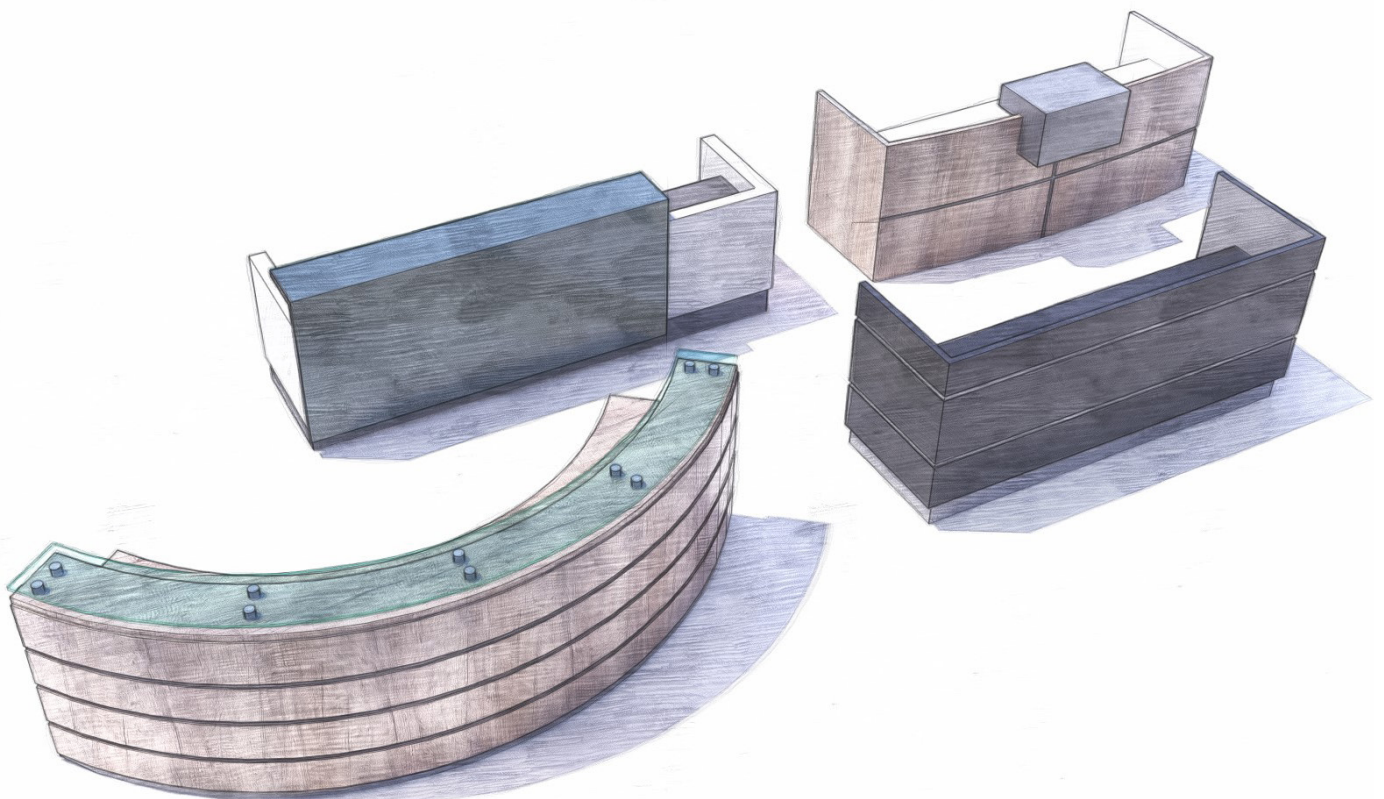

AIXA

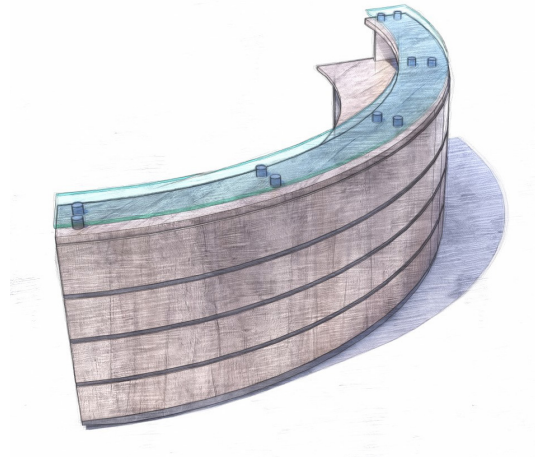

A detailed architectural rendering of a modern reception desk. The desk is curved and features a light-colored wood-grain finish with horizontal metallic bands. The top surface is a dark, reflective material. In the background, several people are seated at the desk, and a large indoor plant is visible. The scene is set in a bright, modern interior space.

Recepción

La primer imagen tiene un peso importante, por eso nuestras modelos proponen una linea de recepciones que se adaptan a todas las necesidades de espacio y funcionalidad, creando ambientes modernos y sofisticados que reflejan la seriedad que toda empresa necesita.
